489 Global Leaders Meeting 7/28/2015

1. Gemstone Audit- The second batch of gemstones for audit has arrived. We will complete the audit by the end of August and the gemstones are valued at 300-500 million. The procedure that follows are:

- 1) We identify the number and weight of the gemstones being audited
- 2) Identification of GIA sampling
- 3) Request a group of professional jewelry experts to determine the market price . It will only be higher than our set price.

2. Bank Acquisition- operations are going as planned and details are being perfected.

3. Hotel Renovation and Management- Renovations include- lobby, bar, presidential suites and full service facilities. As of now, one hotel is not enough therefore we are on looking to add more additions.

4. Cryptocurrency Platform- the ewallet will be given to us on August 3rd. The testing period will take place for two weeks prior to its official release in August. During the August conference we will train the leaders and members how to use the ewallet. All members must need to have their correct information updated by end of August.

5. Happy City- after the completion of the ewallet we will start to focus more on the development of Happy City.

6. Exchange platform- all legal digital cryptocurrencies will be gathered and traded on the platform. The virtual currency of the maximum profit will occur on the platform.

7. August Conference Registration- Venue has been set for 1300 and will only be taking registration up to 1300 people. All under qualified members pay use gemcoin reward points to join the conference.
