

Compensation Plan

This bonus system is designed based on scientific calculations. It is the simplest, most humane and revolutionary bonus system. While you can own jewels that have potential in appreciation, it also provides a golden opportunity with an easy start for everyone. It is a sustainable backup plan for your life!

Bonus System Features:

- Focus on personal ability development, teamwork, and mutual contributions between upper and lower levels.
- Reasonable optimal combination: unilateral organizations can also be profitable.
- Simple and reasonable system: Everyone can do it and ordinary people can also achieve their dreams.
- Relaxed part-time business: Stress free, no need to stock up, and one's collection will appreciate in value.
- Make fast and good profits: Bonuses issued every day, every week, every four weeks, and every month.
- Business can be developed and expanded to all over the world.
- A safe controlling value of bonus issued is 65% of the BV (100 USD is 50 BV), and the rest is calculated by weighted average.
- You will get an unprecedented opportunity to re-create network marketing and make your dreams come true!

1. To Become a Distributer:

A: Fill out all of your personal information on our company's website, and then the company will give you an ID number (0 BV) for free to become a distributor.

B: You are required to pay a \$50 internet maintenance fee to the company in order to receive your sponsor bonus.

C: After you become a distributor, you will have a personal website, this website has all the functions of customer service, system management, monetary management and product sales. This is the most complete and modern office and online marketing system.

D: Once you receive your business center, you have the right to develop your left and right legs of your down line.

2. Price of The Product Package:

A: \$1,000; B: \$2,000; C: \$3,000; D: \$4,000; E: \$5,000

3. Description of The Product Package:

- 1) Each product package contains the corresponding price of the product assortment.
- 2) Receive your product package based on purchasing amount when ordering.
- 3) The package's price is based on the U.S. members' product package as reference. Prices may vary in other countries. Please refer to actual package price in your country.
- 4) Package price does not include tax, shipping fee, and web maintenance service fee.

4. Bonus System

1). Sponsor Bonus (calculated and issued daily)

When you sell a product package or products to new distributors, you can immediately get 15% of the package as a Sponsor Bonus. Bonus issuing: Bonus is shown as soon as the payment for the sale is received, and it will be issued on the first business day after 7 business days (bonus issuing date may vary in some countries).

2). Binary Bonus (calculated daily and issued weekly)

Binary Bonus is calculated based on the sales of the smaller track of one's underlines below his/her Business Center. Bonus rate differs based on different amount of the packages sold.

- Sell \$1000-\$4999 worth of product, you will receive the Gold Level bonus for 8%
- Sell \$5000-\$9999 worth of product, you will receive the White Gold Level bonus for 10%
- Sell \$10000-\$29999 worth of product, you will receive the Platinum Level bonus for 12%
- Sell product over \$30000 you will receive the Diamond Level bonus for 15%

Based on the amount of sales, daily maximum bonuses are:

- Sell \$1000 product, daily maximum bonus will be \$1000
- Sell \$2000 product, daily maximum bonus will be \$2000
- Sell \$3000 product, daily maximum bonus will be \$3000
- Sell \$4000 product, daily maximum bonus will be \$4000
- Sell \$5000 product, daily maximum bonus will be \$5000
- Sell \$10,000 product, daily maximum bonus will be \$10,000
- Sell \$30,000 product, daily maximum bonus will be \$30,000
- And so on

Requirements for issuing Binary Bonuses:

- 1). Sponsor directly one distributor to both the left and right sides of your organization.
- 2). 8 weeks after purchase, make repetitive consumption every 4 weeks (i.e., 4-week is one cycle). If one fails to make repetitive consumption on time, his/her new sales will be disregarded and existing sales will be zeroed out.
- 3). If a distributor you have sponsored quits or fails to pay web maintenance service fee, he/she will not be a distributor any more, and your sponsorship will be considered as unqualified. You would need to sponsor another distributor within 28 days (i.e., one cycle) to re-validate your previous sponsorship and to keep your Binary Bonus (your Binary Bonus will be kept during the cycle of 28 days).
- 4). Make web maintenance service fee payment on time (\$100/year).
- 5). Sales are calculated daily, and bonuses are issued weekly. The calculation period for bonuses is from 00:00 Monday to 24:00 Sunday, Pacific Standard Time. Bonuses will be issued on the Thursday two weeks after the calculation period ends. (The bonus is calculated on Monday after the 10 day cooling period; and then the bonus will be issued on Thursday).

Features of The Binary Bonus:

- No time limitation
- No generation limitation
- No region limitation
- Global unified sales calculating
- Global unified bonus issuing

5. Recurring Bonus (calculated and issued every four weeks)

- 1). This bonus is generated from 50% of the sales from recurring consumption of the distributor, including Auto-ship orders and online purchases.

2). A qualified distributor can get Recurring Bonuses from his/her 12 generations in his/her lineal organization. Bonus is calculated by organizational sales and ratio of each generation.

3). Bonus ratio of each generation:

20% of the 1st generation

10% of the 2nd to 6th generation

5% of the 7th to 12th generation

4). 10% of each distributor's revenue goes automatically to recurring consumption, and minimum consumption for each distributor is \$100 per cycle.

5). No empty point is allowed in bonus calculation; upward compression method will be used in bonus calculation.

6). Bonus calculation period is every four weeks, and, the bonus is issued on the Friday one week after the ending of the bonus calculation period.

7). The greatest features of the Recurring Bonus are: no limit for maximum bonus amount, no ceiling for possible bonus amount, no zeroing out for bonus, stable income, and assurance for continuous bonuses.

6. Travel Award:

If a distributor purchases a \$10,000 sale's package and also directly sponsors five people who with \$10,000 packages, he/she will receive a reward of travelling to the US for a one-week training.

7. Automobile Award (Every 4 Weeks As A Cycle)

1). When one's Binary Bonus reaches \$30,000 per cycle for 3 consecutive cycles, a \$50,000 BMW will be awarded to him/her.

2). When one's Binary Bonus reaches \$60,000 per cycle for 3 consecutive cycles, a \$90,000 Mercedes Benz will be awarded to him/her.

8. Mansion Award

1). When one's Binary Bonus reaches \$80,000 per cycle for 9 consecutive cycles, he/she can choose from a \$500,000 villa at Quail Ranch in Los Angeles (or the company's another property of equal value), or a \$580,000 investment immigration quota from the company.

2). When one's Binary Bonus reaches \$100,000 per cycle for 12 consecutive cycles, he/she can choose from a \$1,000,000 villa at Quail Ranch in Los Angeles (or the company's another property of equal value), or a \$500,000 villa plus a \$580,000 investment immigration quota from the company.
